# WOOLEN MEN PRESENT "POST"

Post our working lives... Post its city changes... Post marriage... Post work... Post the music industry... Post song writing... Post the physical medium... Post the transmission of ideas... Post the definition of truth... Post gender... Post race... Post waking up yesterday and making the coffee... Post being paid to make art... Post glory and infamy... Post america... Post computers... Post rhythm and blues... Post sameness and simultaneity... Post the history of our failures... Post regrets and achievements... Post the black and white keys of a piano... Post flat wound strings, capos, drum keys, synthesizers, mixing boards, 1/2 inch tape, 1/4 tape and 4 track machines... Post the wave form and the wave file... Post the unintentional comedy... Post the country mouse and the city mouse... Post the centers of power... Post our forgotten ancestors... Post the self release... Post used cars... Post flat bicycle tires... Post art and the markets of art... Post the presidency... Post police brutality... Post the murder of our brothers and sisters... Post the forgotten wars of our childhood... Post the brick horizon... Post the amateurs... Post the weathermen... Post influence... Post the edge of the last idea... Post post...
